No. N-1/2015-16

Dated: 7th October, 2015

To

The President/ General Secretary,
All Circles/Units of ITEF & ITGOA

Dear Comrades,

In continuation to our communication dated 06.10.2015, we would like to inform you all that despite our sincere efforts, the CBDT has not initiated desired efforts to resolve our issues. Today it has come to our notice that instead of resolving the issues, the CBDT has issued an instruction to all the Pr. CCsIT(CCA) so as to frustrate our ongoing struggle for just and logical demands. In this connection, we reiterate that the step taken by the CBDT reflects their own frustration arising from the failure to resolve our issues. This is not the first struggle under the banner of JCA, as we have undertaken numerous agitations for betterment of the working condition as well as career prospects of our member. In this path of struggle we have faced similar resistance for raising our voice. But all these attempts were overcome only due to unity and militancy of the JCA. This time also the CBDT is trying its best to ignore our demands by even circulating incorrect minutes of meeting held with the JCA on 16.09.2015 in order to mislead and demoralize our members. But we are countering each of their nefarious attempts by standing strongly and untidely and even pointing out the glaring lucane in the CBDT's views, against which they are having no clear answers. Our struggle is for a just cause and as long as we remain united no force can suppress our struggle. We are sure that tomorrows strike will be a historical one and will also add another milestone in the militant history of JCA. We also appeal to you all to ignore any threat issued by the administration like earlier years and to carry on struggle with cent percent commitment so that the Board is compelled to take proactive steps for resolving our issues.

With revolutionary greetings and best wishes.

Yours comradely,

(Bhaskar Bhattacharya)
