To,

**The Seceratry General
Income Tax Gazetted Officers Association,
New Delhi.**

Sir,

Subject: - Promotion of ITO to ACIT - reg-

An emergency meeting of ITGOA , M.P. & C.G. Unit was called at Bhopal to take the stock of present position of ITO to ACIT promotion, and all the members have shown grave dissatisfaction over the inordinate and unfortunate delay in promotion, and now the frustration of the members is reached to optimum level and in the present situation being the General Secretary of M.P.& CG. Unit and also a part of CHQ I find it difficult to convince the members that why the DPC and promotions are not taking place.

In the present situation when despite of putting of numerous efforts we could not succeed in getting done the DPC by UPSC the reasons of which are well known to everyone and presently our own members of Gujarat are responsible for this, earlier there was issue of Ernaculam CAT, when we are trying to get the matter resolve the Gujarat people have gone in PCAT, and the irony is that we are unable to convince our own members to refrain from unwanted litigations. **In the present situation all the members of M.P. & C.G. has unanimously resolved that the only solution of the present problem is to get the Promotions done on adhoc basis as despite of lapse of considerable time still some units are not in a position to implement the NRP judgment in near future which gives very reason to our member to go to CAT and Courts .**

I am therefore on behalf of all the members Of M.P. & C.G. request you to kindly take up the matter with the CBDT for promotion of ITOs on adhoc basis which is the only way out to get rid off from the present blockage .

Yours comradely,

(G.S. Raghav)
General Secretary, ITGOA
MP & CG Unit
