No. ITGO/NWR/CHD/2015-16/

Dated: 25th Jan. 2016

To

The President/Secretary General,
Income Tax Gazetted Officers' Association,
(CHQ), New Delhi.

Sir,

Sub.: Promotion of ITO to ACIT- Revision of Seniority List-Regarding-

Kindly refer to the above.

First of all I convey you the congratulations from all the members of ITGOA NWR on your being re-elected in the BGM held at Guwahati.

I was waiting call of meeting of the CHQ after the BGM, but since now much time has gone, I wants to convey the feelings of the members of the ITGOA NWR through this letter.

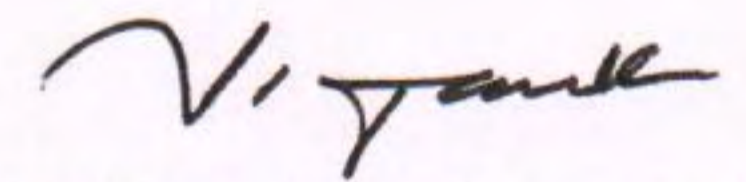

Though you know the unrestness and frustration amongst the ITOs particularly of 2001 batch, but I being duty bound on behalf of all the members from NWR intend to draw your attention to the issue of long awaited "promotions of ITO to ACIT. Every member is looking at the Unit Leadership and the CHQ to hear some positive in this regard. You must feel that the delay in the promotion is going to lose faith of the members in the leaders, which is not in the interest of Association. The grievance amongst members has raised manifold after meeting of the CHQ with the Revenue Secretary on 3rd November 2016. I am not blaming you that you are not concerned for the matter, but since no result is coming forward every member is aggrieved against the leadership. So without writing and conveying many things, which are being said and heard, I request you to kindly look into the matter seriously.

Knowing the hurdles being faced in getting the DPC done (implementation of NRP judgment, Ernakullam CAT judgment, Pr. Bench CAT Delhi's direction), in case DPC for regular promotion is not possible, it is proposed that Board may be asked to promote the officers on ad-hoc basis, as done in the case of CCIT

from Pr.CIT on 21st Jan. 2016. It should be for the RY 2014-15 and 2015-16 for the posts as agreed upon by the Revenue Secretary and declared by the Chairman in his speech at the BGM at Guwahati. With this atleast temporary relief will be there for the members, but regular DPC should also be followed seriously.

2. I being a member of the "Jayadevan Committee for Uniform Implementation of NRP Judgement" take this opportunity to request you that glaring mistake in the seniority list of Pr.CCIT, Gujarat, as pointed out in its report by the Committee, may please be taken up immediately at the concerned level. Otherwise more litigation will be there from many quarters, which may further hamper the DPC process.

Yours fraternally,

(Vijander Kumar)
General Secretary,
ITGOA, NWR
