No. N-1/2015-16

Dated: 10th February, 2016

To,
The Chairman,
The Central Board of Direct Taxes,
New Delhi.

Sir,

Sub: Representing anomaly in the 7th CPC Report- matter regarding.

Kindly refer to the above.

After submission of the report by the 7th CPC, the Union Cabinet constituted an Empowered Committee of Secretaries (E-COS) chaired by the Cabinet Secretary on 27.01.2016 to process the recommendations of 7th CPC and mandated it to screen the recommendations. Earlier, an Implementation Cell (I.C.) chaired by the J.S. (Pers.) had been constituted for the same purpose in the Department of Expenditure. The I.C. was later asked to function as the secretariat of the said E-COS.

The J.S. (I.C.) convened a meeting of the Nodal Officers [supposed to be nominated by each Department as per the request letter of the JS (I.C.) dated 21.11.15] of all the Departments on 02.02.2016 at the North Block. It is decided in the said meeting, as learnt from the minutes of the meeting, that all the Departments are asked to submit their comments on the recommendations of 7th CPC concerning to the respective Departments in the **prescribed format** along with financial implication (if any), both in hard and soft copy within **a two weeks time**. It is further decided in the meeting that the issues, which were already represented by the staff associations before the CPC but not accepted by the CPC after due diligence, will not be entertained, unless those are endorsed by the respective Departments with sufficient justification.

You are aware that some of the demands placed by the Central JCA before the CPC were not accepted whereas in respect of the other demands CPC didn't discuss anything in its report. After formation of the Implementation Cell, Central JCA has discussed all the demands with the Board and submitted justifications in support of those in detail. The Board has also convinced with our demands after discussion and forwarded our submission to the I.C. through the Department of Revenue. Now, **as per the minutes of the meeting dated 02.02.16, the same has to be resubmitted in the prescribed format.**

In view of the above, you are requested to kindly ensure that the demands/issues raised by the Central JCA are properly resubmitted along with adequate justification, as Departmental justification holds the key for acceptance by the Government. We are ready to provide any further input or justification in favour of our demands, if required. **It is further requested to kindly arrange a meeting with the Nodal Officer so that the Central JCA can apprise him the demands to represent those before the E-COS.**

This is for your kind consideration and necessary action.

Yours sincerely
