Dear Secretary General,

19/12/2014

Sub: Promotion and posting in the cadre of Income-tax Officers,
Group B - reg -

I would like to proudly make it known that the Pr CCIT, Kerala has finalised the seniority list after implementing Hon'ble SC decision in the case of NR Parmar in all cadres and review DPCs in all the cadres have been conducted on 18/12/2014. The revised seniority list of ITOs from 1986 would be sending to the Board by next week. The promotion to the cadre of Income-tax Officers, Inspectors, PS, AO etc for the RY 2014-15 (except in the cadre of Executive Assistants due to a CAT decision) have been effected vide order dated 19/12/2014.

We gratefully acknowledge the opportune actions of the administration especially the Addl CIT(HQ) and Sri Jayakumar, STA of Pr CCIT Office, Kerala in finalizing the seniority list, conducting review DPCs and also effecting the promotions.

The contents of the Advisory dated 07/11/2014 has been strictly adhered to in revising the seniority list and in the cases of 1995 and 2009 Batch DR Inspectors, the anomaly has been referred to the Board by the Pr CCIT.

The Vacancy Registers for all cadres were available in Kerala from 1986 onwards and the draft seniority lists were prepared on the basis of the Vacancy Register. The same has now been revised according to the Advisory. The losses suffered by some of the DR Inspectors due to the

implementation of the advisory have been respectfully accepted by all our members for the sake of early promotions to the Cadre of ACITs.

Hence, I request the Secretary General to inculcate all other units to take earnest efforts to finalise the revised seniority list so that the long awaited dream of promotions to the cadre of ACIT would come true at the earliest.

Yours faithfully,

(V M Jayadevan)
General Secretary
