

Status/progress in the Bihar & Jharkhand Region

A Task Force for implementation of NRP has already been constituted. In the cadre of LDC, draft seniority list has already been circulated for inviting objections. The deadline for inviting objections is already over. Now, the revised seniority list of LDCs has to be notified.

In view of slow progress in implementing NRP, I met the CCIT (CCA), Bihar & Jharkhand Region on 03.06.2015. The matter was discussed extensively. He assured that the process will be intensified so that the process of revising the seniority lists and subsequent revised DPCs may be completed in expeditious manner.
